Does your community meet the requirements for the 1st SIPBRA NOFA?

Overview of key requirements

Partnership cooperation

- Partnership agreement including clearly defined roles for each partner
- Written (or agreed to) outcomes contract from State/Local government
- Independent evaluators contracted to validate outcome delivery via RCT or quasi-experimental evaluation
- Signed MOUs or MOAs of integrated data sets between partners to support outcome validation and program referrals

Impact & funding documentation

- Targeted achievement of at least 1 of 21 eligible outcomes (see pg. 2), outcomes targets, performance thresholds
- Outcomes valuation and federal cost savings as a result of the program, in addition to state and local savings
- Completed evaluation plan drafted for RCT or quasi-experimental evaluation to validate both outcomes and cost savings
- Payment terms, methodology used to calculate outcome payments, payment schedule
- Identified State/Local government funding source (or commitment) for sustained outcome payments in the future

Programming documentation

- Eligibility criteria, including identification plan and referral process; number of individuals to be enrolled
- Evidence of unmet need in the area where the intervention will be delivered or among the population to receive services
- Completed baseline outcomes analysis for the eligible population
- Evidence-base to achieve outcomes (based on research/literature of other experimental/quasi experimental evaluations)
- Detailed service delivery budget & timeline, including intervention plan for services, staffing, and data monitoring

If your community's checklist is incomplete:

Consult the Third Sector [SIPBRA website](#) for additional resources, webinar date, and contact information for Q&A

All proposals require outcome contracts that strive to achieve one or more of the 21 outcome categories with direct federal savings
